

Portable Power

GK-1200 ⚡

- 1200W
- 960Wh
- LiFePo4
- AC Input 700W
- MPPT Input 500W

Over-charge protection

Over-temperature protection

Over-voltage protection

Short-circuit protection

Over-current protection

DC auto-sleep

Pure sine wave

Long life span

Model:	
Capacity:	960Wh
TYPE-C Output:	100Wmax*1/ 20Wmax*3
AC charging:	50/60HZ 700Wmax
AC output:	Rated 1200W,Peak 2400W
MPPT input:	11.5-50V20A below 500Wmax
USB:	USB-A(5V2.4A)*2
Cell:	LiFePo4
Cigar lighter output:	12V/10A
Operation temperature:	-10-40 °C
Charging temperature:	0-40 °C
Weight:	12.5kg
Size:	386*225*317mm
AC Waveform:	Pure Sine Wave

Fully Charged in 1.5 Hours Via AC only

Fully Charged in 2-4 Hours Via your solar only

Capable to Charge 11 Devices Simultaneously

95% Inverter Efficiency

95% of DOD (Depth of Discharge)

V0 Level of Fire protection materials

UL certified LFP cell to supply long life span

PD100-support PD 3.0, QC 3.0, FCP, AFC, Apple 2.4A
