

Portable Power

# GK-800 ⚡

- 800W
- 512Wh
- LiFePo4
- AC Input 400W
- MPPT Input 200W

Over-charge protection

Over-temperature protection

Over-voltage protection

Short-circuit protection

Over-current protection

DC auto-sleep

Pure sine wave

Long life span

Capacity:	512Wh
TYPE-C Output:	(PD 100W)x1(PD 20W)x2
AC charging:	50/60HZ 400Wmax
AC output:	800W 50Hz/60Hz,pure sine wave
MPPT input:	11.5-50V 8A 200W max
USB:	(QC 3.0 18W)x2
DC 6530 output	12V/10A
Cigar lighter output:	12V/10A
Cell:	LiFePo4
Operation temperature:	-10-40 °C
Charging temperature:	0-40 °C
Weight:	6.5kg
Size:	276*209*230mm
AC Waveform:	Pure Sine Wave

Fully Charged in 1.5-2 Hours Via AC only

Fully Charged in 4-5 Hours Via your solar only

Capable to Charge 8 Devices Simultaneously

95% Inverter Efficiency

95% of DOD (Depth of Discharge)

V0 Level of Fire protection materials

UL certified LFP cell to supply long life span

PD100 support PD 3.0,QC 3.0,FCP,AFC,Apple 2.4A
